# PSN connectivity service compliance certificate

This is to certify that

**Redcentric**

has had its compliance reviewed and has demonstrated that its

**DNSP\_0031 PSN Gateway Service Access**

service will ensure appropriate security for data travelling over the PSN and can be made available to PSN-connected organisations during the following period

**22 June 2017**

date issued

**22 June 2018**

expiry date

For and on behalf of the Public Services Network

Mark Smith  
Head of PSN

This Public Services Network (PSN) connectivity service compliance certificate is issued following successful completion of the PSN compliance verification process. It shows that your organisation has successfully demonstrated to the PSN team that the above connectivity service will ensure appropriate confidentiality, integrity and availability of OFFICIAL data travelling across the PSN. Your certificate is valid until the expiry date shown above. It may be withdrawn at any time in accordance with the PSN Code of Connection (CoCo) if it is found that the service no longer meets the agreed standard.
