PSN connectivity service compliance certificate

This is to certify that

Redcentric

has had it's compliance reviewed and has demonstrated that its

Redcentric - DNSP_0031

service will ensure appropriate security for data travelling over the PSN and can be made available to PSN-connected organisations during the following period

19th November 2026	19th November 2027
date issued	expiry date

For and on behalf of the Public Services Network

Mark Smith
PSN Head of Compliance

This Public Services Network (PSN) service provision compliance certificate is issued following completion of the PSN Service Security Standards (PSSS) process. It shows that your organisation has successfully demonstrated to the PSN team that the above service is suitable for handling public sector information at OFFICIAL and does not present an unacceptable risk to the security of the

PSN. Your certificate is valid until the expiry date shown above. It may be withdrawn at any time in accordance with the PSN Code of Practice (CoP) if it is found that the certified service no longer meets the agreed standard.
